## Tarik B. Icgoren Vice President Atlanta, Georgia

Tarik is Vice President with Red Rock Global and a member of the firm's Development Services Group. His primary focus is advising clients, preparing analysis, conducting due diligence and drafting reports on a wide variety of real estate related issues. In addition Tarik supports the Red Rock Global Team with various transaction, project, and property management functions.

Prior to joining the firm, Tarik worked with a local real estate services company specializing in both commercial and residential property management. Tarik's education and experience brings additional insight and perspective to the Red Rock Global Team.

### Education/Certifications

- BBA, Morehouse College
- Licensed Real Estate Salesperson

### Associations/Memberships

- Atlanta University Development Team
- Global Diversity Summit Finance Committee
- Member, Morehouse College Alumni Association
- Member, National French Honors Society

### Key Experience Highlights

- As a member of the RRG Development Services Group, Tarik performed highest and best-use analysis and advised on the disposal and strategic repositioning of several Atlanta area developments.
- Successfully completed the retail leasing of HJ Russell & Company's Sky Loft Development in the Historic West End
- Served as senior project manager for the build out of the 100 Black Men of Atlanta's new headquarters in Downtown Atlanta, Georgia.
- Conducted a detailed disposition analysis of 39 acres of surplus historical assets in Downtown Atlanta.
- Formerly with Watts & Little, LLC in Atlanta. Conducted full range of analysis and due diligence, including review of closing documents, environmental reports, and title reports for various commercial real estate transactions in the Atlanta area.
- Participated in the CB Richard Ellis commercial real estate program. An intensive four week professional development program that focused on commercial leasing, investment sales and financial analysis.
- Managed health and safety standards for approximately 3,500 units for AFR & Associates
- Served as project manager to Atlanta University Center Development team during the 2007 Global Diversity Summit case competition.
