## Dwayne Marshall Associate Atlanta, Georgia

Dwayne Marshall is an Associate with Red Rock Global. As a key member of the team, he focuses primarily on supporting with transactional advisory services, strategic planning services, and the business development efforts of the company. He spearheads our firm's community and socio-demographic research on markets where we seek to identify real estate advisory and development opportunities.

Dwayne's previous expertise within the corporate banking and residential real estate industry has proven to be a great asset to the Red Rock Global team. Additionally, he identifies public and private funding sources for our firm's projects particularly in the urban mixed-use redevelopment sector. His experience makes him uniquely qualified to help develop our research and business development efforts.
